DELMARVA CHAPTER NEWSLETTER

Presidents Message:

3M Science.
Applied to Life.™

Fellow ASSP Delmarva Chapter Members;

I am pleased to announce that our Delmarva board members have finished final build-out of the approved USCG "MARAD small vessel for limited public use" (**AKA Delmarva Chapter Ark**), we're still waiting for final approval from the EPA on our port-a-potty discharge permit and the engineer's stamp for the hoist system/fall arrest system/trebuchet for our "cargo loading". See if this dang insistent rain will stop our group!

As we move toward the last few months of our 2019 ASSP fiscal year, we have three key activities we have planned:

- Joint Eastern Shore SHRM and ASSP technical presentation
 - March 26, 2019 8:00AM
- 2019 Delmarva Safety Association Health & Safety Conference/Expo
 - April 8 & 9, 2019 7:00AM-6:00PM
- How Personal Fall Arrest Systems Work, And Don't technical hands on presentation
 - April 30, 2019 11:30AM

***SEE MORE INFORMATION ABOUT THESE EVENTS BELOW**

We are still finalizing **our end of FY 2019-year technical tour for June**. More info will be coming soon.

Please come and rub elbows at one or all of these sessions

Delmarva Chapter

Joint Eastern Shore SHRM and ASSP technical presentation:

March 26th at 0800 we will be hosting a joint technical presentation with the local Eastern Shore SHRM chapter – professional human resources management organization with the jointly presented topic of “OSHA Inspection and Regulatory Compliance from the Human Resources and Occupational Safety Perspectives”

Dove Pointe Banquet Room - 1225 Mount Hermon Road Salisbury MD

2019 Delmarva Safety Association Health & Safety Conference/Expo

April 8th and 9th with events from 0700 to 1800 each day - 2019 Delmarva Safety Association Health & Safety Conference/Expo which is being held, as in the past, at Clarion Resort Fontainebleau Hotel, 10100 Coastal Hwy, Ocean City, Maryland. We recommend this event as the April Technical meeting opportunities and as a great way to network with like-minded safety professionals. Our Delmarva ASSP members Ron Dukes (Senior Safety & Security Mgr Perdue Foods LLC Milford DE Organic Harvest Plant) and Chuck Northam (President, Safety Resources LLC) will be representing our group at a booth on the Exhibit floor. If I counted correctly there are 11 informative sessions available as well as floor exhibitors.

Registration and Events Agenda can be found at:
